Balance in Motion Clinic

with Beth Beukema

August 12, 2017
John T. Oxley Equestrian Center
Cornell University
Ithaca, New York

Ms. Beukema is a large “R” USDF Certified Judge and Clinician. The “Balance in Motion” clinic will be offered the day before our Casual Show at Oxley, both riders and non riders can participate.

Clinic Description:

Session one held the morning of the first clinic day (1- 1 ½ hour session). This session introduces the basic philosophy and theory of the Balance in Motion program. All riding participants strongly urged to attend. Auditors are encouraged to participate fully in this interactive warm-up exercise program. Everyone should bring yoga mat or blanket and dress comfortably. (Non riders cost: \$20 for non-members of CDCT.)

The riding portion involves both mounted and mat exercises interspersed. Riders warm horses up and then after analysis dismount and work on 1-2 exercises and then remount and feel the difference in their bodies and their horse’s way of going. This is repeated several times. Each rider will need to have someone to hold their horse while they are on the mats.

Cost is : \$90 member, \$95 non member of CDCT.

Stabling is limited on a first come, first serve- \$10/day, \$15 overnight.

Approved helmets for riders, current Coggins, Rabies and EHV vaccines are required for horses. Please use the entry form included in this newsletter.

For more info contact Dinah Guarino at dinahguarino@yahoo.com or 315-702-3973.

June 2017 Region 8 News

It seems our show season is well under way! The weather could be a bit warmer and a little less rain for the shows. However, it is June and warmer weather must be around the corner. A lot is going on in the region besides shows. There is a variety of judge's programs, certified instructor's workshops, and clinics. The opportunities are totally endless! Remember if you do not want to be a participant, these programs offer auditing which is huge benefit! You can see how judges score or what they are looking for OR instructor's education process to get certified! I sure hope you are watching the calendars and taking advantage of these opportunities in your back yard. As a reminder (and where I may sound like a broken record), the US Dressage Finals is for each Regional Open and Adult Amateur Champion and Reserve Champion to compete head to head with the other regional champions. There is also the wild card where you can go to the finals if you have received a wild card score at the regional championships. IMPORTANT note, please remember you will have to declare that you are willing to go to the 'finals' if invited. This declaration must be done before the first day of our Regional Championships. On June 1st Participating members received an email from USDF to say that the voting for your PM delegates that will be attending the USDF Convention in December has begun and will be concluded on June 30th. In the last few years, Region 8 has had the lowest PM Delegate voting turnout among the regions. So PLEASE go look for that email, go to the USDF website or use this link, <http://www.usdf.org/about/about-usdf/governance/vote/index.asp>, login in to your USDF account and VOTE. This is very important!!!!!! Attention GMOs: newsletter, website, photography, and volunteer of the year nominations close August 30th. So before your summer gets under way, please submit them! It is a great way to get recognition for your GMO or an outstanding volunteer plus for Region 8! Here is the link with all the information...<https://www.usdf.org/awards/service/gmo.asp> Remember we will hold our next regional meeting on October 8, 2017, noon, at the Publick House in Sturbridge, MA. We do like meeting face to face and I hope you can spare the time to make it. However, we have been given the opportunity to use the NEDA conference hub and number for those of you too far away, so that you can call in. So no excuses! But you will miss the great food at Publick House and the great company!

This it is for now!

See you on the Centerline...

Debra Reinhardt

In Memoriam

Brio, 2004—2017

Owned by Ginny Grove

I lost Brio on 2/21 of this year. He was only 13 and his passing came as a real shock. His personality was that of a very large dog. He was very friendly and interested in people (and what treats they may have). At 18 hands he was usually the largest horse in whatever activity we were doing. He did well competing at 2nd level in dressage but I am most proud of the fact during his last summer he and I competed (and won!) our first combined training event. Rest in peace, Brio you were loved by many and will be missed.

Mateo, 2000—2016

Owned by Carol Morris

Mateo was my 60th birthday present to myself. He was the first- and only - horse, that I ever had that was not just green broke when I got him. When I first went to look at him, I just had to have him - he had already carved out a piece of my heart. Those who know us, know that we had many struggles together. There were gaping holes in his training that several people told me would never be fixed. There was surgery for removal of a bone chip, and coffin joint injections, and gas colic. Through it all, I had set my goals quite high. I finally made it beyond First Level, and had earned scores at 1st and 2nd Levels for my Bronze Medal. But a tiny molecule brought him down. Mateo, I hope you are happily galloping with all the others we have loved and lost.

Springfield Equine Retirement Farm

At Springfield Farm, we cherish a horse's individuality and appreciate his history. Each is cared for and loved as one of our own. Springfield Farm is a sixty-five acre farm located in the beautiful Finger Lakes Region of New York and just minutes from downtown Ithaca and Cornell University's Large Animal Hospital. Our care is based on the premise that each animal deserves the best quality of life, including one-on-one attention and focus on individual dietary, physical and emotional needs. Springfield Farm horses enjoy the maximum turnout that weather allows and individual stalls for those days that aren't so nice.

Boarding fees include feed, blanketing and plenty of individual attention. Veterinary and farrier services are billed to the owner at cost. As the owners of Springfield Farm, we live onsite and provide direct, personal care for all horses. The size of our operation is small by design. Our combined experience and education will give you complete confidence in your decision to retire your horse at Springfield Farm.
